

Oregon Maritime Museum Membership or Donor Form

WHY YOU SHOULD BE A SUPPORTER OF OREGON MARITIME MUSEUM

Since 1980, Oregon Maritime Museum has shared the stories of working on the rivers in the Portland Oregon region. We preserve important maritime artifacts like the fully restored – and operational – steam sternwheel ship assist tug, the PORTLAND. We permanently feature the history of World War II shipbuilding, the Battleship OREGON, and we celebrate the past, present and future of local maritime activities. Your membership or donation funds operations, collections management, exhibits and educational programs. Please join or donate now to support this fine regional museum. Thank you!
